How to install.

How to connect your i3SYNC TRANSMITTER and start working with it.

A Receiver

- 1 Connect a HDMI cable from a display to the HDMI OUT port of the Receiver.
- 2 Connect the micro USB cable for power supply.
- 3 The device will automatically start up after inserting the Power Supply.

B Transmitter

- 1 Connect the USB-C / HDMI & USB cable into your laptop or other device.

How to use.

First-time usage

1. Connect the i3SYNC receiver to your display.
2. Connect the i3SYNC transmitter to your laptop.
3. Wait for a constant green light of the main button from the transmitter.
4. Press the main button to mirror, the main button will change into blue.

How to pair.

When using the i3SYNC Transmitter for the first time:

1. Press the main button of the receiver and transmitter simultaneously.
2. Transmitter and receiver are blinking green during the pairing process.
3. When the pairing is successful, the receiver and transmitter will have a constant green light.

Important warranty information.

Our i3TOUCH EX devices are equipped by default with a 5 year warranty. If you however have acquired the interactive display for educational purposes, this warranty can be extended.

WARRANTY EXTENSION FOR SCHOOLS

You can register your product for an extended warranty if you are an educational institution. If you are a corporate institution, please contact your reseller.

Please note that the warranty extension must be registered **within 30 days** after delivery of the i3 product through the form found on this page:
